

Online EAERE pre-conference workshop
“The economic impacts of air pollution and the implications for policy”
Wednesday, June 24, 2020, 13:00-18:00 (Paris time)

Organisers: Antoine Dechezleprêtre (OECD), Elisa Lanzi (OECD), Tobias Kruse (OECD)

Please register [here](#) by 22 June 2020.

If you have any question, please contact [Jack McNeill](#) (OECD).

Time (Paris time)	Presenter	Title
Session 1: Health impacts of air pollution - Insights from medical science		
13:00-13:20	Tamara Schikowski <i>(IUF Leibniz Research Institute for Environmental Medicine Düsseldorf)</i>	Insights from epidemiology on health impacts of air pollution
13:20-13:40	Roel Schins <i>(IUF Leibniz Research Institute for Environmental Medicine Düsseldorf)</i>	Insights from toxicology on health effects of air pollution
Session 2: Health impacts of air pollution - Insights from social science		
13:40-14:00	Nico Pestel <i>(Institute of Labor Economics Bonn)</i>	Low emission zones for better health: Evidence from German Hospitals
14:00-14:20	Cristobal Ruiz-Tagle <i>(Environmental Defense Fund)</i>	Ambient Air Pollution and Infant Mortality in Emerging Economies: Evidence from Santiago, Chile
14:20-14:40	Steffen Künn <i>(Maastricht University)</i>	Indoor air quality and cognitive performance
<i>Break 14:40 – 14:50</i>		
Session 3: Socio-economic impacts of air pollution		
14:50-15:20	Keynote: Matthew Neidell <i>(Columbia University)</i>	From health impacts to economic effects
15:20-15:40	Peng Zhang <i>(Hong Kong Polytechnic University)</i>	Air pollution and manufacturing firm productivity: National estimates from China
15:40-16:00	Alex Marten <i>(United States EPA)</i>	Capturing the Economic Impacts of Health Improvements in Ex-Ante Analysis
16:00-16:20	Toon Vandyck <i>(European Commission, Joint Research Centre)</i>	Insights from ex-ante modelling on socio- economic impacts of air pollution
<i>Break 16:20 – 16:30</i>		
Session 4: Policy discussion		
Challenges in designing effective and publicly acceptable air quality policies		
16:30-18:00	<ul style="list-style-type: none"> • Rosalind O’Driscoll <i>(Greater London Authority, UK)</i> • Karine Leger <i>(AirParif, Paris, France)</i> • Katia Raffaelli <i>(DG Environment and Land, Emilia-Romagna Region, Italy)</i> • César R. Chavez <i>(Air Quality Management Authority, Monterrey, Mexico)</i> • Johanna Appelhans <i>(German Federal Environment Agency, Germany)</i> • Michael Klinkenberg <i>(European Commission, DG Environment, EU)</i> 	

This EAERE pre-conference workshop is organised by the OECD with financial support from the European Union, and with the support of EAERE.
